

Dowdeswell's Delphiniums

Wholesale Seed Order Form

Flowers with Bees: single (or bee type) delphiniums.

Florets on these plants will have at least 13 outer petals (sepals) plus petals in a central 'bee'

	Royal Aspirations - deep blues with white bees	WABL6000
	Green Twist - white flowers with a green tinge, short strong plants	WAGR9500
	Sunny Skies - pale blues with white bees	WALB6500
	Morning Lights - Light blue/mauve florets with white bees, very strong plants	WALB6501
	Blushing Brides - a mixture of our mulberry pinks	WAPI7000
	Dusky Maidens - Dusky Pink with brown bees	WAPI7001
	Sweethearts (Pink with white bee)	WAPI7002
	Pink Punch (very deep mulberry pinks)	WAPI7003
	Purple Passion - deep purple with white bee, short strong plants	WAPU8001

Double Flowered (no bee) delphiniums

Florets on these plants will have many more petals than the single varieties (typically 20-30) and no distinct central bee. They will often be of a frilly appearance and represent a distinct new line of delphiniums which are becoming very popular.

	Pagan Purples, dark blue/purple/mauve flowers, tending double. Expect the occasional white	WAPU8000
	Double Innocence, pure creamy white, double flowered, even height	WAWH9001
	Blue Lace, light blue double flowers with a pink tinge	WALB6502

Cut Flower Varieties

These are special selections of the crosses that form the New Millennium Series offered above. They are selected for characteristics that have proven their suitability to the cut flower market.

	Green Twist CF - white flowers with a green tinge, short strong plants	WCFAGR9500
